Subject: Fee Required for Notice of Intention to Commence Small Mining,
Browns Canyon Quarry, M0430030, Summit County, Utah

Dear Mr. Smith:

On August 9, 2006, we received your Notice to commence mining for your Browns Canyon Quarry. File number M0430030 has been assigned for this Small Mining Operation (SMO).

Before we can continue with the review of your SMO notice, we require an initial permit fee of \$150.00. Which is due annually thereafter on the Division's fiscal year (July 1-June 30) until the project is released.

Please submit the \$150.00 fee within the next 10 days or by August 29, 2006, before we continue our review of this notice. A billing statement is attached for this purpose. Failure to provide the fee within the specified timeframe will result in the Division denying your application, which will then be returned to you.

Please be advised that no mining or exploration activity is authorized until you have received written acceptance from this office as well as from the BLM.

If you have any questions regarding this letter, please contact me at (801) 538-5291 or Tom Munson at 538-5321.

Sincerely,

Penny Berry
Minerals Secretary
